7. Comments for those previously involved but not any longer, why?			<p>Promote the meetings! Use website and signs at door. Last year signs were up only on the day of the meeting. I know that 5 is difficult, but I get off work at 4 and waiting until 5:30 is difficult. Even lunch would work better for me. Make it more than just fundraising!</p> <p>Child missed entire 2nd semester last year due to illness, haven't been involved due to this situation. Hope to begin involvement more actively soon. Would also like to be involved in outreach to increase enrollment, thus reduce fundraising needed.</p> <p>Because I was one of the 10 people and after 7 years am tired of it, it's someone else's turn to help. As long as the parents club gets no support from the school... Various reasons, reminded too late, Kings games, now on Advisory committee also on the 2nd weekday of the month. Attended first 05 meeting. Board seemed less than enthusiastic and Pres. Came off as sarcastic. Didn't interest me.</p>	7
