Notes:

1. Worked on the Agenda for Wednesday, May 21, 2008 Meeting.
  - a. Troy will get the Pizza
  - b. Laurie will make a sign and a sign up sheet.
2. Discussed how we need to get more education out to parents regarding Feria.
  - a. Only 16% of parents attended Feria. We would like to understand why. Looking into creating a survey to parent as to why they did not attend.
  - b. Would like to make a goal that more parents buy tickets next year.
3. Discussed that we need to educate parents on why we have to fundraise and how much tuition would be if we did not.
4. Discussed how we need to educate parents on the Parents Club. It would be nice if we had a representative who was in charge of Parent Club Meetings. They would be responsible for signage, getting parents to attend the meetings, and coordinating the pizza for the event.
  - a. Also need to make sure we have a representative from each class attending the meetings.
